Chidinma Mmahi

SOFTWARE ENGINEER

08114910021 | mmahichidinma336@outlook.com | https://github.com/ChidinmaMmahi/

Technical Skills

- **Languages & Frameworks:** React, TypeScript, Tailwind CSS, HTML, CSS, JavaScript
- **API & Data:** TanStack Query, REST APIs
- **UI Libraries:** Kamona Component Library, Chakra UI, Ant Design
- **Tools & Processes:** Git, Feature Flags, Unit & Integration Testing, Agile Workflow
- **Other Skills:** Remote collaboration, code review, problem-solving, onboarding solutions

---

Experience

Software Engineer
Moniepoint Plc (via Seadans Solutions) — Lagos, Nigeria (Remote)
January 2025 – Present

- Developed and maintained web onboarding features for Moniepoint users, ensuring a seamless and intuitive experience.

- Built front-end interfaces using React, TypeScript, and Tailwind CSS, integrating with APIs via TanStack Query.

- Implemented feature flags to manage rollout of new functionalities and reduce deployment risks.

- Utilized Moniepoint's internal Kamona component library for consistent UI design and enhanced development efficiency.

- Wrote unit and integration tests for front-end components to ensure reliability and maintainability.

- Collaborated with team members through Git version control, reviewing and merging code to maintain high-quality standards.

Frontend Developer (Third-Party Placement)
Stears — *Lagos, Nigeria (Remote)*
January 2025 – Present

- Developed responsive UI components using React, TypeScript, and Tailwind CSS, ensuring consistency and high performance.

- Integrated GraphQL APIs to deliver real-time data insights and improve the accessibility of economic and market intelligence tools.

- Implemented feature flags to safely roll out experimental or incremental product updates.

- Wrote unit and integration tests using Jest to ensure reliability and maintain technical quality.

- Collaborated with engineering and data teams using Git, participating in code reviews, merging PRs, and maintaining clean version control workflows.

- Worked cross-functionally, contributing to multiple areas of the platform, including user dashboards, insight pages, and internal tools – depending on the team's needs.

Frontend Developer Intern
Seadans Solutions — Lagos, Nigeria (Remote)
September 2024 - December 2024

- Contributed to the development of Terrachain, a platform addressing rental challenges for immigrants, leveraging React, JavaScript, Tailwind CSS.

- Built responsive UI components for key features like property listings, virtual tours and credit assessments, ensuring high-quality user experiences.

- Worked with the team to implement real-time notifications, digital contracts, and automated lease renewals, reducing operational complexity for users.

- Collaborated with a team using version control systems like Git and followed best practices for code quality, including linting and formatting with ESLint and Prettier.

- HTML, CSS, JavaScript, Tailwind CSS, React, Git.

Secretary to The General Manager
Paulo Compu-Serve — Badagry, Lagos, Nigeria
January 2021 - January 2022

- Utilized excellent customer service skills to respond to inquiries from clients.

- Co-ordinated logistics for events such as conferences, workshops and seminars.

- Ensured compliances with company policies, procedures and applicable laws and regulation

- Developed strong relationships with internal staff and external stakeholders through effective communications.

- Multi-tasking, Creative thinking, Attention to detail, Problem-solving abilities, Teamwork and cooperation.

Education

Nnamdi Azikiwe University | 2019 — 2023

Bachelor of Science in Computer Science

- GPA: 4.0
- Relevant Coursework: Object Oriented Programing, Databases, Discrete Math, Data Structure and Algorithms, Operating Systems, Computer Networks, Machine Learning, Data Mining, Advanced Data Structures and Algorithms, Information Retrieval, Image Processing
- Project: Designed and implemented an e-learning platform for computer science students to share course related materials between lecturers and students for all levels
